

FAITHFUL [Lyrics, 71 bpm, 4/4]

[The Well Church] by Ryan Huggins

Intro

Verse 1

Through all the wanderings
That we like sheep go
Off every cliff
Down to Sheole
There I'm reminded
I'm always welcome home

Verse 2

There in the pigsty
Where I wallow
Broke and ashamed
That I chose this road
There I'm reminded
I'm always welcome home

Chorus

You gave me the best robe
Covered my shame
You lifted my head up
Intercepted my gaze

Said you won't abandon
A covenant made
The burden was Yours
You knew that my will would cave

You are a friend and
A Father who stays
You are the shepherd
Who goes after the stray

I don't deserve but
You give anyway
Though I've been faithless
Your heart will remain

FAITHFUL

FAITHFUL

Verse 3

Through every misstep
When I fail how I'm prone
And let those I love down
And I can't bear the load
There I'm reminded
I'm always welcome home
I'm always welcome home

Chorus

FAITHFUL -

Bridge

I'm running home (I'm running home)

Verse 4

Here in Your presence

Shame has no hold

The past has been cast

Into the ocean below

I hear you whisper

I'm always welcome home

I'm always welcome home

Chorus 2

You gave me your best robe

Covered my shame

A ring on my hand

that bears the seal of your name

I don't deserve but

You give anyway

Though I've been faithless

Your heart will remain

FAITHFUL
