

All Hail The Risen King [Lyrics, 70 bpm, 4/4]

[The Well Church] by Aaron Swan, Ryan Huggins

Verse 1

The lamb of God without a spot
Accomplishing what we could not
He is our only hope

A purple robe across his chest
A crown of thorns upon his head
He is our only hope

Instrumental

Verse 2

Our cross He bore to Calvary
Absorbed the wrath reserved for me
He is our only hope

The price for sin on Him instead
Though bruised He crushed the serpent's head
He is our only hope

Chorus

Yours is the victory, Yours is the victory
All hail the risen King (x2)

Verse 3

The nails that held Him to a tree
Unleashed a cosmic remedy
He is our only hope

The final breath that left His lips
Declared that He had finished it
He is our only hope

Chorus

Yours is the victory, Yours is the victory
All hail the risen King (x2)

Bridge

When death had dealt it's sting
And evil won it seemed
The cross led to the grave
And with him our hope lay

A violent quake and light
Dispelled that three day night
The darkness turned to day
The stone was rolled away

The conqueror of death
The garden's curse reset
He took our guilt and shame

All Hail The Risen King -

And left them in that grave

So praise and lift your eyes

Our Jesus is alive

(Stop)

He rose in victory

How worthy is our King

Chorus

Yours is the victory, Yours is the victory

All hail the risen King

Chorus 2

Yours is the victory, Yours is the victory

All hail the risen King (to bridge)
